

QUR'AN

Grade-5 Curriculum

ABSTRACT

For everything we do someone teaches us how to. Allah (swt) in his infinite Mercy has given us a “user guide for living our life” in the shape of the Qur’an. It is now our responsibility to read, understand and adopt these divine principals to, first become one people (Ummah) and then to become one with Him without difficulty when he calls us back unto Him. This curriculum endeavors to break the Qur’an learning process into small steps that can easily be mastered.
